Escape to the quiet side of Hawai'i with these two untouched, side by side lots in a lush tropical forest setting. Both parcels are covered in mature ōhi'a and natural undergrowth, giving you that private, tucked-away feel from the moment you step onto the property. If you have been looking for room to spread out, this is a great setup to create a larger homesite, a small private estate, or simply a peaceful place to build and enjoy the slower pace.
