Such a diamond in the sky at the top of the largest subdivision in the country at 4,000 ft elevation. Newly painted inside and out, landscaped, with lots of sq. footage in this 2 bedroom 2 bath custom home. The views are forever and the lava tube cave is such a beautiful natural feature like no other. There's lots of extra storage and plenty of water catchment. Flat level usable yard area, gated and fenced. Ocean and South Point views. Engineered and built to code at the time but without permits so this must be a cash sale.
