Tucked away at the end of a quiet street, this improved but overgrown lot offers privacy and tranquility in the coastal community of Kalapana Seaview Estates on Hawai'i Island. Bordering state land on one side, the property presents a unique opportunity to create a private homestead in a peaceful natural setting.

The 7,750 sq. ft. lot appears to have been cleared in the past and includes two older sheds that may be salvageable for future use. Coconut palms and possible
