Super nice cottage near the ocean, designed with outdoor living in mind, with a wrap-around lanai, open floor plan and beautiful foliage. Only a few years old and built with quality construction, you will love the large kitchen and cozy living room with plenty of windows for great airflow. Of course, most of your time will be spent out on the lanai where you can relax and enjoy the marvelous tropical foliage. Upscale fixtures and lots of little touches make this place a truly enjoyable place to hang out. It really needs to be seen to be appreciated.
