A unique opportunity in Discovery Harbour. This lot backs right up against the golf course and boasts beautiful ocean and mountain view planes. There is a functioning below ground swimming pool already in place, along with a cart shed that serves currently as a work shop. The main home was lost to a fire, but has been cleared with the original foundation footprint still in place. This property is uniquely positioned to build your own design and make your own. The established Discovery Harbour subdivision also boasts an 18 hole golf course meandering
