21,780
sqft land

2,375
sqft living

3
bedrooms

4
bathrooms

\$2,999,000
listing price

Positioned in one of Holualoa's most desirable residential pockets, this custom-built residence delivers cool elevation comfort, exceptional quiet, and commanding ocean and coastline views across Kailua-Kona and the Pacific. The home sits on a wide, dead-end cul-de-sac within a thoughtfully designed subdivision featuring unusually broad streets and lack of through traffic—creating a sense of space and privacy rarely found in West Hawai'i.
