A lovely situated home on a cul-de-sac that lends itself to privacy is rare to find. The 3 bedroom, 2 bath single level home is on a larger fairly level lot with mature plants and trees. The home was thoughtfully renovated with a welcoming koi pond(not currently filled) for beauty and relaxation. This home has French doors in the dining room and 2 bedroom that welcomes the natural light and brings the outdoors in. The home was renovated approximately 20 years ago and requires some TLC but all renovations were well planned with solid construction
