Milolii is one of the last communities where you can live right next to the ocean and walk right into the water. The lot on the Makai side is also for sale making 2 SXS lots. This lot is close to the Beach park where swimming is accessible, and the newly formed on Park Ave. This is a new recreational park formed by the Association for member use. Views from this lot straight down to the ocean make it one of the most desirable lots on the market. A well taken care of subdivision where the Sun meets the Sea.
