Land for Sale in **Kau**, Big Island | MLS **728155**

sqft land listing price

A very beautiful 2 acre consolidated lot with large native trees. This property is located near the end of the street for maximum privacy. There is a driveway with a nicely bulldozed clearing perfect and ready to go for your next building project. The sellers had a custom metal gate built and installed at the driveway for added security. This is a special property because you get two acres of land but only have to pay for 1 property tax and 1 road maintenance fee; consolidated lots are highly sought after!
