Hawaiian Ocean View Estates - This lava rock lot is just 2.5 blocks off the highway for easy access to the downtown shopping area. The configuration is a ribbon lot, which is 89 x 489 ft. on the mauka side of the road. Small to medium ohia trees and other vegetation throughout. Nice area of Ocean View with most homes showing pride of ownership. The property sits up high from the street with ocean and sunset views! Per Helco, there is old (paid) power at this property, which is a great perk. Lava Zone 2, Flood Zone X.
