A great deal of work has been done to clear and shape this 2.48-acre property. For your convenience, there is an elevated, cleared home site offering breathtaking mountain views.

Kulana is an agricultural subdivision that offers many benefits to owners that are not readily apparent: plant orchards, vegetable gardens, graze your horses, raise a wide range of animals, and benefit from tax breaks. Kulana's infrastructure offers residents a park-like setting, with horse, jogging, walking, and bike trails.
