sqft land listing price

Magnificent hilltop property with 360 degree views! Build your forever home on this knoll and enjoy forever views of sunrises, waterfalls, mountains, pastures, and streams. Makaleha Mountain's "two sisters weeping" waterfalls are dramatic at times. Mount Waialeale can be seen on clear days. And you have a straight shot of Sleeping Giant Mountain. Pastureland views in several directions. Even a view of the Kipapa Stream and neighborhood duck pond. From up top it feels like you are in the classic movie "The Sound of Music."
