Opportunity knocks with this extra large cabin in Black Sand. Lots of space inside, with high ceiling, and generous light. The loft is perfect for the space, adding a cozy sleeping room potential. It needs TLC and the price is set accordingly. The bones are there though, offering quite a bit a value already, for someone willing to spend the time to fix it. Property is off-grid. Located in the back of the subdivision and mostly surrounded by beautiful Hawaiian jungle for added privacy.
