A property with tremendous potential located in Paauiilo, of Hawai'i Island. Tucked down a private easement drive & set on a secluded site, this 8 acre property offers amazing privacy, & the chance to restore something special. Once a thriving homestead w/ paddocks, fruit trees, & agricultural buildings, the property is set with a home situated at the very top of the land, overlooking everything below. While much of the acreage is now overgrown with tall grass, several exotic trees and fruiting plants remain.
