sqft land listing price

Two side by side private and foliated lots located at a cooler elevation. Both lots must be sold together.

Buyer to do own due diligence in relationship to exact location of the properties.

Seller will not pay for staking or survey, so Agents, please encourage your buyers to have staking or survey done during escrow. Counting lots and using satellite photos, it appears the two lots may be the last two lots before a barrier across the road, and on the right hand side of Road 7 as you approach from Mauna Kea Road.
