Some properties are defined by what has been added over time. This one is defined by what has not. On a South Shore where oceanfront land has been steadily divided and built out for decades, Hale Pi'ilani sits on 0.71 acres of direct lava rock frontage, unchanged. Hale Pi'ilani means House Close to Heaven, and the name is appropriately given. For the first time in 40 years, a rare owner-occupied Poipu Beach home is now available.
