95,004 **\$475,000**
sqft land listing price

Rarely available - a vacant lot of just over two acres in Hawi's desirable Maliu Ridge subdivision. The lot is fully fenced and sellers recently cleared a driveway to the high point that was their intended building site to make it easy for a new owner to imagine the day when their home will enjoy ocean, sunset, and Maui views! The rest of the lot has mature trees for privacy - or they could be cleared to open the lot for pasture, gardens, or fruit orchards.
