House for Sale in **Kau**, Big Island | MLS **729198**

12,000 sqft land **512** sqft living **1** bedrooms **1** bathrooms **\$329,000** listing price

Organic food forest mini farm on Hawaii Island's rural South Side, this permitted 1 bedroom/1 bath home sits on approximately one third acre of rich volcanic soil, thoughtfully planted and lovingly maintained. The property is served by a private septic system and a 10,000 gallon water catchment tank and has the feel of a simple, efficient island home paired with an abundant backyard homestead.

Designed as an organic, low chemical landscape, the gardens support year round harvests and a healthy, pollinator friendly environment, with pathways that wind
