Pretty amazing lava lot located in the heart of old Kalapana prior to the lava flow!! This lot, located in PACIFIC PARADISE OCEANFRONT ESTATE SUBDIVISION just off the main road on the ocean side, is part of the covered land from the 80/90's to 2014 lava flow in the general area. Property has great views of the ocean and mountains. There is sunny weather most of the year and great trade winds flow through this area almost daily. This ocean side community of Kalapana has a lot to offer and the real estate prices are very affordable.
