RARE OPPORTUNITY IN MARK TWAIN ESTATES. If home is designed properly one should have a lovely ocean view. Seller desires to sell all three S X S lots together and each is at \$69,000. TMK 3-8-8-9-74 adjacent to this lot has the SSPP and Electric paid in full and is also adjacent to TMK 3-8-8-9-75 on the corner.. There is a fee for this lot and (75) but it may be possible to consolidate all three lots and have approximately 1.37 Acres and utilize the (74) paid SSPP and water meter. Such a great opportunity. The subdivision is across from Discovery Harbour
