Rare small-acreage lot on the Hamakua Coast with ocean views, county water, power, and producing lychee trees — ready to build on.

This 1.549-acre parcel sits at roughly 900-1,000 feet elevation on Chin Chuck Road in Hakalau, the sweet spot for Hamakua living: cooler nights, great airflow, deep fertile soil, and some of the best growing conditions on the island, all about 25 minutes to major shopping. Prime small lots like this almost never come to market
