Hawaiian Ocean View Estates - beautifully forested ribbon lot (89 ft x 489 ft) near the very top of Ocean View! Located on the short street of Anuenue Drive on the Manuka Park side of the subdivision and almost at the dead end, this property is high in elevation (tbd), but it's not just a bare lava lot. There's an abundance of mature ohia trees along with flowering a'ali'i plants throughout this fairly level lot. You can expect a climate of comfortable days and cool nights. There is no conventional Helco power available, so solar or wind are the most common
