sqft land listing price

Situated on a desirable corner lot within a well established neighborhood, this property offers an excellent opportunity to build with ease and confidence. The lot has already been excavated, with rock walls in place to create a well-positioned building pad, saving both time and significant upfront costs. A completed rock walls and installed water meter further streamline the building process.

Included with the sale are permitted plans for a thoughtfully designed two-story home, featuring a 3-bedroom, 2-bathroom layout upstairs and a 2-bedroom, 1-
