A rare gem in the highly desirable Hundley Heights in Kapa'a. Imagine having miles and miles of white water ocean views and perfect sunrises as the sun appears to rise from the ocean before you. This is a virtually irreplaceable home that has been highly upgraded by its current owners. The large lot is landscaped to perfection with fruit trees (lemon, lime and grapefruit) and hundreds of palms and tropical plants, all surrounding a large resort style swimming pool with numerous waterfalls including a ledge that can be climbed up to for perfect dives and jumping off points
