There's a reason people who know Hilo know Kaiwika. It's the road you take when you want acreage and an address. Close to town, close to the hospital, close to the airport, but tucked far enough into the green that the air feels different up here. Cooler. Quieter. The kind of quiet you can relax into.

Five-plus acres, in Lava Zone 8, fully fenced, with a private setting that borders a large forested parcel and the seasonal Maumau Stream. Ocean views of Hilo Bay
