Known locally as "The Monkey Temple," this one-of-a-kind property blends artistry, creativity, and island living in a truly unforgettable setting. Originally started in 1985 by set builder Steve Dragon, the concrete home began as an artist's vision inspired by organic architecture and has since been thoughtfully completed into a functional work of art.

The approx. 2,300 sq ft, 3-story residence features 3 spacious bedrooms, multiple living areas, curved architectural elements, hand-painted stenciled concrete floors
