This is one of those places that just works. Four bedrooms, a comfortable layout, and a yard that already feels established in the best way. Mature tropicals, bamboo, and flowering plants give it shade, privacy, and that real Hawaii feel—nothing staged or overdone. You're about five blocks from the ocean, and at night you can hear it in the background when things quiet down.

The entire property is already fenced, which makes day-to-day living easier—
