

Land for Sale in **Kau**, Big Island | MLS **730078**

43,604 **\$16,000**
sqft land listing price

This is one of 4 side by side lots located a little above the halfway point of the subdivision. These lots have excellent views of the ocean, coastline and sunsets. This is a rare opportunity to own 4 lots in a row. An owner could consolidate for one 4 acre property or an investor/builder keep them separated and build multiple homes and save time and money. TMK 3-9-2-50-15,17,18 also available. Seller would prefer to sell altogether.
