Welcome to 5348 Honoiki Road whose design was influenced by Charles Dickey who adapted the California bungalow to the Hawaiian climate. This plantation design has an unpretentious simplicity, characterized by clapboard sidings, large lanais, deep overhangs, and distinctive, high-pitched roofs. 5348 has been beautifully reimaged and entirely remodeled all while maintaining its timeless charm. The home blends understated elegance with a casual sophistication that captures the relaxed, island resort lifestyle that has come to define Princeville.
