sqft land sqft living bedrooms bathrooms listing price

Located in the growing Ainaloa subdivision, this thoughtfully designed home stands out with a rare first of its kind split floor plan and 9 foot raised ceilings that create a bright, open feel throughout. Offering 1,410 sq ft of living area and 828 sq ft of garage and lanai space, this residence is notably larger than many others in the subdivision, giving it an appealing sense of space and comfort. A generously large 2 car garage adds convenience and extra utility, while the back lanai provides a welcoming outdoor extension for relaxing or entertaining. Inside, the home
