Improved lot in upper Leilani Estates on quiet Oneloa street. Beautiful lush tropical landscape with mature palms, avocados, anthuriums, ferns and at one time various citrus and fruit trees were planted. This lot was bulldozed with a driveway and house pad, it has a permitted cesspool and concrete slab and house plans for a 3 bedroom 2 bath home on the property. Though it has been sitting for some years and the grass has grown up the potential is there for the right buyer to make it new again.
