Land for Sale in **Kau**, Big Island | MLS **730538**

**43,604** **\$20,000**  
sqft land listing price

Here is a mid-elevation property with great ocean views. There is no power on the street, but many residents use solar electric for their power source. A narrow lot measuring 70 x 623 - with lots of possibilities. Priced to sell. Ocean View has many stores at the highway level - or travel to Kona for that Costco fix. A fantastic place to call home. Come enjoy!
