Set along a dramatic stretch of coastline within the prestigious Mauna Kea Resort, Hale 'O Ka La "House of the Sun" is not simply a home — it is a way of living that few places in the world can offer. Originally designed in 1992 and once featured in Architectural Digest, the property was thoughtfully reimagined in 2025 through an $8 million renovation led by Diane Bobek Designs, Taleah Smith Design, and Pono Hana Builders — preserving its architectural significance, while elevating every aspect of the experience.
