sqft land	sqft living	bedrooms	bathrooms	listing price

At the end of Ahonui Place, this large, custom-built 3-bedroom, 4-bath home sits on nearly 4 private acres in one of Kauai's most coveted locations. The upper floor's great room unifies the kitchen, dining, and living areas beneath vaulted ceilings, with natural light throughout and direct access to a covered lanai overlooking the lush surroundings. The layout works equally well for entertaining or everyday island living.
