Hawaiian Ocean View Estates - Wide lot (122 x 356 ft) near the very top of the subdivision! This rocky lot with small to medium sized vegetation sits up from the road to offer wide views of upper HOVE. The climate near the top tends to have pleasant days and cooler temps at night. Property location is on the Manuka Park side of Ocean View, which offers more vegetation than the Kahuku Park side, in general. This is a highly desirable area, so don't miss out!

No Helco power is available here, but solar and/or wind power are great options.
