There are ocean views—and then there is living with the ocean. At Poipu Kapili, this beautifully maintained 2-bedroom, 3-bath townhome-style residence offers a front-row seat to the ever-changing Pacific. From your lanai and living room, watch outrigger canoes paddle by, winter evening sailboats cruise offshore, and sets of beautiful waves roll toward the coast. Mornings can begin with rainbows and dramatic sunrise clouds; evenings bring gorgeous Kauai sunsets. And during whale season, keep watch for whales passing offshore.
