Land for Sale in **Kau**, Big Island | MLS **732245**

43,560 **\$13,500**
sqft land listing price

One acre on Catamaran Lane with mature Ōhiʻa and native plants creating a private, established setting. The heavier tree cover gives this lot a more protected feel from the road, with natural lava terrain and vegetation throughout.

The land rises toward the back of the lot, where there may be potential to open up an ocean view while keeping much of the privacy and natural character already here. This lot feels less exposed than many open lava lots and gives a future owner
