sqft land listing price

Hawaiian Ocean View Estates - Price under tax assessed value, this long, narrow lot (70 x 623 ft), just over the halfway point up into Ocean View. It appears to have been at least partially graded in the past, but definite boundaries would need to be determined by a corner staking or a survey.

The back portion of the lot slopes up, so there should be at least a sunset view and possibly even and ocean view, as well. Affordable land still exists in Hawaii, so
