12,081 **\$51,000**
sqft land listing price

Oversized lot on a cul de sac in Tiki Gardens - neighboring a larger 2 acre parcel of land. This location enjoys an ocean horizon view from your private end of the road location. And only a short drive to pavement.

The lot has been previously cleared and leveled. Currently a tall grass overstory and some young trees need to be cleared to get started. But much of the prep work is done. Pins placed on corners. Growing neighborhood! Great location!!
