Hawaiian Ocean View Estates - Beautiful wooded lot in lower Ocean View with easy access to Hwy 11, as it's only four blocks up to Keaka Pkwy. This property has been owned for many decades by the same family, who is now ready to let it go. You can see from the side of the lot where the neighbors have cleared that there will be a great ocean view and amazing sunsets, as well. Thoughtfully graded, it could offer privacy amongst the many trees with still opening up the views on the ocean side.
