What sets this land apart? Price! Priced to move — this lot is one of the most affordable parcels available in all of Hawaii. Just off paved Hapuu Road, the lot is covered with native ohia forest, where you can weave your own story. If needed, electric and internet are available at the street, with no Special Subdivision Power Provision (SSPP) hookup cost. Nanawale is a well-established community with its own park, pool, and community center, plus low annual dues. This could be the start of something great!
