Here is a wooded lot in Nanawale Estates that gives you a blank slate to work with. It is located near the end of a quiet, unpaved road and is surrounded by lots of greenery and tall trees. The property has not been cleared, so the next owner can decide how much to open up and how much of the natural privacy to keep. This could be a nice spot for a future home, garden, or simply a place to call your own on Hawai□i Island. Pahoa town is nearby for groceries, restaurants, gas, and other everyday needs. Come take a look and see if this is the right piece of the Big Island
