This was always a nice home with well thought-out features but this owner has taken it to another level with a 14 panel fully owned PV system including the Tesla battery back up, 4 mini A/C units cools the home nicely. They upgraded the appliances including an on demand water heating system. Lighting system enhances the layout and practicality throughout. Chic side carport for additional covered parking. Bamboo flooring accented in just the right places with ceramic tile. The landscaped yard is fenced in meaningful sections. Special attention has
