Hapuna Estates is a private, single-family enclave that sits above the Mauna Kea Resort and is known for its sweeping 360° panoramas. At almost an acre, Lot 33 is among the widest view parcels on the coast and arguably the best. At an elevation of 462 ft, it has open views of the ocean, coastline, mountains, and golf course with nothing blocking the sightline from Kona to Maui. From here your view spans from snow-capped Mauna Kea to Hualalai and along fifty miles of the surf-lined Kohala shoreline. On the horizon sits Haleakala on Maui.
