551,121 **\$750,000**
sqft land listing price

12.65 acres of A-5a agricultural land in Kaiholena, where North Kohala meets endless views. Raw, untouched land in an off-grid subdivision — no power lines overhead, no traffic, no neighbors close enough to hear. Just trade winds, open sky, and room to build something that lasts.

The views are truly spectacular. Ocean and the Maui coastline across the channel, rolling pastoral green climbing toward the Kohala mountains, and west-facing
