Rarely do you find a home that has been lovingly maintained for nearly 60 years. Originally constructed in 1969, this Pepeekeo timepiece still has its original charm, and has been updated with modern conveniences. When built, the home was carefully positioned on a flag lot tucked away from the road to take advantage of cooling trade winds and allow for peekaboo ocean views. Inside you will find three bedrooms and a full bath, along with a generously sized living room with huge windows and a tastefully updated kitchen.
