This is a perfect place to build the home of your dreams. These two lots are located in a quiet neighborhood, walking distance to the ocean in Hawaiian Beaches subdivision. No HOA fees. There is municipal water already on the property, mail delivery is available and the lots are cleared and ready to build. Cable and Wi-fi with internet connection already in. There is also a shed with a covered porch that was previously lived and could be restored fairly easily. Short drive to Pahoa town just 5 miles away, and 30 minutes drive from Hilo.
