sqft land listing price

An Ag Lot in the heart of Hilo. Conveniently located with quick access to Highway 11. Very private and serene.

Close to the shopping mall and commercial areas. Buyer must do their own due diligence with regards to the flood remediation with USDA assistance. Land does not flood but the entry way to the parcel floods in very strong storms and rains.

This rare parcel's location is a gem that only needs careful planning.

Farm Supplies available in the Prince Kuhio Mall. It's an ideal private place to use
