Room to breathe, with the Pacific as your view. Tucked at the end of a quiet cul-de-sac, this 3 bed, 2 bath Kailua Kona home sits beside 11 acres of vacant land to the south, so a large portion of what you see is open space and ocean, and what you hear is mostly the island itself.

Start on the lanai. At 633 sq ft and fully covered, it functions as a second living room: Dining for a crowd, a spot for morning coffee, or a front-row seat for sunset
