Rarely available oceanfront ground floor unit at Islander on the Beach. Literally just a few steps from the beach. Great opportunity to create a premium vacation rental and finish it the the way you would like. The last 2 oceanfront units to sell at Islander on the Beach sold for $590k and $575k respectively. A few weeks after the hurricane it was deemed that this condo had mold. Mold remediation company removed everything and treated the unit. Seller has owned it for a long time and is ready to part ways. Bring us an offer!
